Dear PAC member,

IPRO ESRD Network of New England is excited to invite you to attend the **3rd Annual Patient Advisory Committee (PAC) Face-to-Face Summit**, being held on Sunday, August 6, 2017, from 11 am – 2 pm, at the Southbridge Hotel and Conference Center located at 14 Mechanic Street, Southbridge, MA 01550. This summit is a fun opportunity for dialysis and transplant patients to meet and collaborate in person with peers to enhance quality of life through education, communication, and active representation.

For assistance with registering for the summit, talk to a staff member at your facility, or contact Network staff for help 203-285-1223. For online registration, go to <http://network1.esrd.ipro.org/home/patient-and-family-resources/> or complete the attached registration form and return to the Network (mail or FAX).

The summit is free of charge for one PAC member per facility. A kidney-friendly brunch will be provided. All participants must be registered to attend (online or paper registration must be received at the Network). **If the registered PAC member requires assistance from a spouse, care partner, etc., there is a \$25.00 fee to cover the additional participant's lunch.** Credit card or PayPal payment is accepted online at time of registration for the additional participant. If submitting registration via U.S. postal mail, registrants should include a check for the additional participant fee, if applicable, with their completed registration form.

We look forward to interacting with patients in the New England area. Please contact us with any questions.
